

MT ST PATRICK COLLEGE MURWILLUMBAH PARENTS & FRIENDS SPORTING / CULTURAL ASSISTANCE POLICY

Mt St Patrick College, together with the MSPC Parents & Friends Association recognize the financial burden that is often placed on families when children are invited to take part in elite cultural or sporting events. In order to assist families confronted with these costs, the Parents & Friends Association will provide a set sum of money for State and/or National representation in any sport or the equivalent level in the performing arts.

In order to be eligible to receive the monetary assistance outlined above families are required to complete the form below and submit it to the College Principal along with the official letter or email outlining the event and the student's selection. The completed application form and event letter/email can be submitted either in hard copy or electronically.

The Parents & Friends Association has set the amount of \$150 for state or equivalent representation and \$250 for national or equivalent representation. While this amount is not significant we hope it will help families in some small way. If students are selected for national representation as a result of their performances at state level, the family will automatically be provided with the extra \$250 once the principal has received official documentation outlining their selection.

Families can apply for only one scholarship at each level (state/national) per school year.

The amount of money provided each year may vary depending on available funds and the number of applications.

Once the application and supporting documentation has been received, the Principal will consult with the Parents & Friends Association and make the decision as to the legitimacy of the application. Applicants will be informed of the outcome of their application in writing and will also be informed about how the monetary assistance will be provided. Students will also be presented with a certificate outlining their achievement.

Your sincerely

Paul Clohesy (on behalf of the Mt St Patrick College Parents & Friends Association)
