

Nominations for ENCORE, INTECH and ONSTAGE

Mt St Patrick College is very proud of the 2020 HSC cohort. The College appeared 36 times in the distinguished achievers list. The band 6 results were across many subjects. Industrial Technology Multimedia achieved 5 band 6 results and Legal Studies also achieved 5. Some top marks were Ysabella Purser - 95 in Mathematics and Josh Malone -95 in Industrial Technology/Multimedia.

Year 11 accelerated students achieved 5 band 6's in Mathematics and 2 band 6's in Chemistry. Ysabella Purser and Miranda Quantrill were successful in achieving band 6's in both Chemistry and Mathematics which is an extraordinary achievement.

Mt St Patrick Students took on the challenge of COVID and achieved exceptional results in the practical components of subjects. Nominations were received in ENCORE, INTECH and ONSTAGE.

At the first College assembly for 2021, the HSC cohort returned to celebrate their achievements and to thank the dedicated teachers that work as a team with their classes to promote academic excellence. The DUX for 2020 Charlotte Ryan was presented with the Dr Cletus perpetual trophy and the Long Tan Award for future innovators. The students then participated in a forum with the 2021 HSC cohort, passing tips and wisdom for success in the HSC.
