Music	25.00
SLR Excursion	70.00
Visual Art	70.00
TAFE – additional fees depending on course	

School fees cover the cost incurred in the day-to-day running of the College and also allow the purchase of resources that are necessary to meet our obligation to provide each child with a quality Catholic education. According to a survey published by the Sydney Morning Herald, Mt St Patrick College fees are among the lowest in fee-paying schools in NSW, including schools in the local area. Every effort is made to keep fees at a realistic, yet affordable level with modest annual increases. The payment of school fees is a condition of enrolment and continued enrolment at the College.

The College offers a variety of methods for payment of school fees including BPay, EFTPOS, Credit Card and Direct Deposit. Families can pay three equal amounts that are invoiced and due in Week 7 of Terms 1, 2 and 3. Arrangements may be made for fees to be paid weekly or per fortnight if that arrangement is more suitable for some families. Alternatively families can elect to pay the entire fee in full. If the entire amount is received by the end of Week 7 Term 1 then a discount is available. Other arrangements are possible subject to the approval of the Principal. Discounts are available for the second and subsequent children from one family attending the College simultaneously.

School fees cover the costs of tuition, textbook hire, resources levy, technology levy (laptop), College Diary, Locker fee, College Magazine (one per family), Retreats, Wellbeing Resource and a Facilities and Maintenance fee. Schools fees include the costs incurred in using the Internet. It does not cover the costs of excursions, sporting visits or other expenses. The Facilities and Maintenance fee is charged per family not per child. A number of elective subjects offered in Years 9 to 12 charge a separate fee due to the materials required for those subjects, for example Industrial Technology: Wood, Visual Art, Hospitality and Entertainment.

At Mt St Patrick College education is value for money and a good investment in your child's future. Please phone the College if you have any questions or concerns regarding school fees.
